Assessment

CMI Centres are encouraged to use a range of methods to ensure that all the learning outcomes and assessment criteria are met, and to enhance Learners' development. Assessment methods can include:

- Case studies
- Assignments
- Reports
- Integrated work activities
- Projects
- Presentations

The written word, however generated and recorded, is still expected to form the majority of assessable work produced by Learners at Level 3. The amount and volume of work for each unit at this level should be broadly comparable to a word count of 2000- 2500 words. Learner work should aim to minimise the amount of unnecessary attachments or appendices. Information that is essential to the Learners work in order to meet the learning outcomes and assessment criteria should be included within the main body of the report.
